Generally, Dhooman as son of Graha Mars gives many bad results to the Native. As per the Placement of Dhooman in the Horoscope, and if the Dhasanathan (Lord off the Running Dhasa period), (that is, the Dhasa Lord happens to be the Lord of the House where Dhooman is placed), the following bad effects are likely to happen.

- Family disputes,
- Difference between husband and wife,
- Accidents, more caused by fire,
- Heat related ailments to the person etc.
- Here, we are going to take only one bad effect of the Upagraha Dhooman.
- Dhooman, if placed at the 7th House from the Ascendent (the First House), or at the 7th House from the Rasi (where Moon is placed), one's marriage is delayed by many years, or in some cases, no Marriage fortune at all during the entire lifetime. How to calculate the placement of Dhooman in a Horoscope?

We have to take the Graha Spudam of the Planet Sun. (it is the Degree in which Sun is situated in a Horoscope, known as Dheergamsam).

Let us take an example where the Sun is situated at Pices Rasi 352 degrees 56 minutes and 50 seconds. We need to add 133 degree and 20 minutes to this and get the Dhoomas Placement degree

Sun	352 ⁰ 50' 50"
ADD	133 ⁰ . 20'
TOTAL	486 ⁰ 16' (MINUS 360 AS IT IS MORE THAN 360)
	126 ⁰ 16'

Which denotes Leo Rasi Magam Star Padam 2

Therefore Dhooman sits at Leo Rasi in Rasi chart and Taurus Rasi in Navamsam. Similarly we can calculate the placement of Dhooman in any Horoscope with only Sun Planet's placement degree.

Dhooman appears like a Comet (a star with tail like extension) and will look like A smoke screen. Dhooman is at its Exalted in Leo rasi and Debilitated at Aquarius rasi. (Exalted means exalted and Debilitated).

Let us examine this Rule in some selected Horoscopes. Here we are having a male Horoscope aged 40 years. His date of Birth is 3rd May 1985 and, Time of Birth is 3.25 a.m. and born at Kanchipuram, Tamil Nadu.

ASCENDENT MERCURY VENUS	SUN RAHU	MARS	
MANDHI	DOB : 05.05.1985 03.25 AM		
JUPITER	BORN AT KANCHIPURAM		

	SATURN	KETHU	DHOOMAN MOON
--	--------	-------	-----------------

This is a Pisces Ascendent Jathakam. Upagraha DHOOMAN is situated at VIRGO RASI, the seventh House from Ascendent, and thus become a Dosham and the Marriage of the Native is delayed till now. Thus, Kalathra Bhavam is affected by the Upagraha Dhooman and thus the Dosham is formed. If we look the other side of the 7th House, Moon the Lord of the 5th House from the Ascendent is at the 7th House, Virgo Rasi, and as per the Traditional Rules, the 5th Lord sitting at the 7th House strongly, as the Moon is having its own base, raising at the Hastham star, which happens to be Moon's own Star (Moon is the Lord of Star Hastham)

The second House Lord (Aries) is Mars and Mars is at the 3rd House with the base Rohini star, and the Lord of the Rohini Star is Moon who is strong at 7. Thus the Second House which is Family House, denotes the formation of family at the earliest (family means the family of the couple after their Marriage).

Here, Marriage has not happened so far, after age 40, and thereby no formation of a family so far. The Upagraha Dhooman is therefore causing a Dosham by sitting at the Kalathra House (7th House)

ASCENDENT MOON	SUN MERCURY MARS VENUS		
	DOB : 2 nd May 1981 04.20 am Born at Chennai		RAHU
KETHU			
			JUPITER DHOOMAN SATURN

This is a male Horoscope, aged 44 years of age. This Native is not blessed with A Marriage Life so far. If we examine his Horoscope, the seventh House known as Kalathra Bhavam is affected, Jupiter and Saturn are together at the 7th House along with Dhooman, the Upagraham, and Combination of Jupiter with Saturn Forming the following Doshas or ill effects.
 Jupiter Chandala Yogam
 Brahma Hathi Dosham

Both these are connected with Puthra Dosham or problems like not blessed with children or getting a child only after considerable delay, agony or having children with illness or some defective children.

The Direct Impact Here Is Delay in Getting a Married Life and this Native is not married though now aged at 44.

We Look at Another Horoscope:

JUPITER	KETHU	MARS	DHOOMAN
	Date of Birth : 31/01/1976 Time of Birth : 053000 AM Place of Birth : Chennai		SATURN
MOON MERCURY SUN			
ASCENDENT VENUS	MANDHI	RAHU	

Here, Dhooman is at the Seventh House from the Sagittarius Ascendent

Gemini Rasi and is surrounded by two Pava (Asubar) Grahs, namely Mars at Taurus Rasi and Saturn at the Cancer Rasi, thereby, formation of A Dosham known as Pava Karthari Dosham. So, the 7th House (Marriage House) is affected. Here, Dhooman is at the 7th House causing chances of Marriage Getting delayed.

Lord Moon is at the 2nd House, known as Kudumba Sthanam, (The Family House) This Capricorn House is owned by Saturn and Lord Saturn is at the Cancer Rasi which is owned by Lord Moon, Saturn is at Poosam star, its own Star, and Moon is based at its own Thiruvonam Star. Thus, we can see both these Lords are very strong, and form a strong Parivarthana Yogam or each one Occupying the other's House. This combination of Saturn and Moon, thus, gives A strong Dosham known as Punarpoo Dosham or a Dosham giving more than One Marriage to the Native. This combination is also giving a big delay in the Original formation of a Marriage relationship. By virtue of this and Dhooman sitting at the 7th House, the Native is not at all married.

Following is Another Example Horoscope:

This is a Male Horoscope. Date of Birth of the Native is 28th January 1984. This Gentleman is born at Chennai at about 05.00.00 p.m.

This is a Gemini Ascendent Jathagam and Dhooman, the Upagraham is at the 12th House from the Ascendent at the Taurus Rasi. He is born at the Kettai Star, Scorpio Rasi, and the Dhooman happens to be at the 7th House from the Rasi, Scorpio.

As per Rule involving Dhooman is when Dhooman is at the 7th House from the Ascendent or Rasi the Marriage will get delayed. Also, Mars with Exalted Saturn is at the 5th House causing strong Puthra Dosham. Dhooman is based on Mrigaseersham Star, owned by Mars and the Mars at the Swathi Star owned by Rahu. As Rahu and Mars are enemies. Here, the Dhooman and the Mars with Saturn are Sashtashtagam or 6th and the 8th House from each other. As already shown, Mars and Rahu are strong enemies, thereby, Dhooman at the 7th House from the Rasi is also weakened by the strong Mars and Saturn combination at the Libra Rasi.

We can see for ourselves, the Upagraha Dhooman at the 7th House from the Rasi thus prevented the early marriage chance for this Native who is already more than forty years of age.

One more Horoscope in similar lines may give us some more information regarding this Dosham.

This Native is a male, whose date of birth is 9th August. His place of birth is Chennai and time of birth is 03.30.00am. This is a Gemini Ascendent Jathagam and Dhooman is at Sagittarius Rasi, the 7th from the Sagittarius Ascendent. Dhooman is Moolam Star as its base and Moolam is owned by Kethu. Kethu is at the 8th House from the Sagittarius Ascendent. (Capricorn Rasi), Jupiter and Saturn are at the 4th House from the Ascendent, and thereby giving a strong Brahma Hathi Dosham (affecting child birth)

	MANDHI		ASCENDENT MARS

KETHU			SUN
DHOOMAN	MOON		JUPITER SATURN

Dhooman Sitting at the 7th House from the Ascendent, i.e., Sagittarius and delays the Marriage Life of the Native.

Conclusion:

Dhooman, the Upagraham and the Sun of Mars, thus causes long delays in the formation of one's marriage. When we study many Horoscopes where the Marriage is getting delayed by many years, this placement of Dhooman at the Seventh House from the Lagnam or at the 7th House from the Rasi could be seen as the major factor.. Just by looking at the placement of Dhooman we can conclude that there is some problem in the happening of the Marriage and especially if Dhooman is placed at the 7th House from one's Ascendent or at the 7th House from the Rasi (where Moon is placed), then it is going to be a long wait before one getting happily married.
